## GUIDELINES CONCERNING BUILDINGS AND GROUNDS

The buildings and grounds of the Community School Corporation of Southern Hancock County are available for public use for educational, civic, and entertainment programs sponsored by responsible community citizens, subject to the following conditions:

1. The facilities in Southern Hancock Schools are available for use by persons, groups or organizations residing in Sugar Creek or Brandywine Township.
2. The individuals and groups shall obtain a permit and abide by its terms.
3. Gambling, drinking, the possession of intoxicants or the possession or use of controlled drug substances on school property at any time is prohibited. Smoking is not allowed in any of the buildings or on the campus of any facility owned by the CSCSHC.
4. The use of school facilities on Sunday shall be limited to the gymnasium and auditorium areas and activities should be scheduled between the hours of 12:00 p.m. and 6:00 p.m. The Board of School Trustees authorizes the Assistant Superintendent to approve Sunday gymnasium and auditorium use outside of the above stipulated hours to accommodate ongoing annual tournaments and events.
5. A custodian and/or appropriate technical support personnel must be on duty any time the facility is open.
6. Food prepared in the school's kitchen and served for outside groups shall be prepared only by the school cafeteria personnel. The charge for the activity shall be determined by the Food Service Director and shall include the cost of food and labor.
7. All groups must use Coca-Cola Products exclusively while using the facilities of the Southern Hancock Schools in alignment with a contract between the Board of School Trustees/School Corporation and the Coca-Cola Company.
8. The Board recognizes the following as "community support" organizations for the purpose of use of facilities: P.T.O., Music Boosters, 4-H Clubs, Scouts, Athletic Support groups, Chamber of Commerce, Lions and Lioness Club, and the Sugar Creek Branch/Hancock County Public Library. Sunday gym use by the Amateur Athletic Union will be limited to games only.
9. The schedule of charges for use of buildings and grounds for non-school affiliated and "community support" groups shall be set by the Board of School Trustees.
  - a. "Community Support" organizations will be charged a custodial fee and/or technical support fee for the use of facilities on a Saturday or Sunday. The building rental charge will be waived except in cases where there is an admission/registration fee charged for the activity and the money is not spent in total on programs for students in the Community School Corporation of Southern Hancock County.
  - b. "Community Support" organizations may use the facilities on weekdays without charge for a custodian if the activity is scheduled when a custodian is normally assigned. However, a technical support fee will be charged for the auditorium use in alignment with the original request rental needs.
  - c. "Community Support" organizations using the school facilities are responsible for all clean up. Organizations failing to clean the reserved area will lose the privilege of "free building rental."
  - d. In the event of cancellation, the appropriate school personnel will be notified at least five (5) working days (excludes holidays) prior to the date of the scheduled building use. Failure to do so will result in a custodial charge and/or technical support charge for the total number of hours specified on the original building request.
  - e. School facilities cannot be used for K-6 extracurricular or community support organization's programs beyond 8:00 p.m. on a weekday evening.
10. The Board of School Trustees permits the use of school facilities by non-school affiliated community groups and organizations and will assist any group in the event of an emergency or in situations where there are unforeseen, extenuating circumstances. However, at the same time, the Board is aware that the school district is not in the business of providing long-term, continuous facility rental.

Therefore, the fee associated with facility rental for requests received for non-school affiliated, long-term use will remain constant for a one-year period. After one year of use, the building rental fee will double for the next six months. After that, the fees will continue to double, using the fee from the previous six months as the calculating bases for each new six-month period.
11. The organization will be requested to furnish the Community School Corporation of Southern Hancock County with a certificate of insurance showing a combined limit of liability for bodily injury and property damage in the amount of at least \$2,000,000.
12. Neither the corporation nor its employees will be responsible for injuries, damage to or loss of property in buildings or on grounds sustained by applicants or participants in any activity.

\*The CSCSHC reserves the right to demand sufficient time for full investigation, notice, and arrangements of requests for the use of school facilities and reserves first claim to the use of its' property. Cancellations may be issued by the CSCSHC with or without due notice.
